

You Can Make It Homeownership Center, Inc

"You Can Make It Home Ownership Center (YCMIHOC) adopted the National Industry Standards to support efforts in delivering housing education and counseling services based on research and best practices. The Standards are important as they substantiate our profession as a critical component in the home buying process. We find these standards to be essential in setting goals for our organization, assessing program improvement, and ensuring our counselors receive the necessary trainings to deliver professional services to our clients. Our adoption of the Standards communicates to our clients' credibility, integrity, and high quality service that seeks to facilitate successful, sustainable homeownership. ."
